Sir Richard Branson's mountain retreat in Verbier, perched high in the Swiss Alps, is the perfect year-round escape. Complete with nine stunning bedrooms and suites, an indoor pool, indoor and outdoor hot tubs and a friendly team of experienced staff including a spa therapist and three trained chefs. As well as the ideal choice for a luxury ski holiday, Verbier during the summer season is the ideal place to hold a wedding. The Lodge can be booked individually, or if you fancy taking all nine rooms and suites you can hire the chalet exclusively for up to 18 guests.

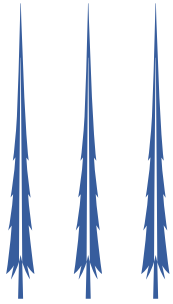

SAY 'I DO' IN THE SWISS ALPS!

The beautiful mountain scenery will be the backdrop for your special day.

Couples wishing to get married in Switzerland can enjoy either a Registry Office or Church Wedding. If travelling from overseas they will need to complete all the legal paperwork prior to arriving into Switzerland with the Swiss Embassy of their home country. Once this has been completed they can then arrange a date for the marriage to take place.

All details regarding the legality and procedures for getting married overseas can be found on the relevant Swiss Embassy website in your country. Please note this process can take up to 3-4 months.

THE WEDDING PARTY

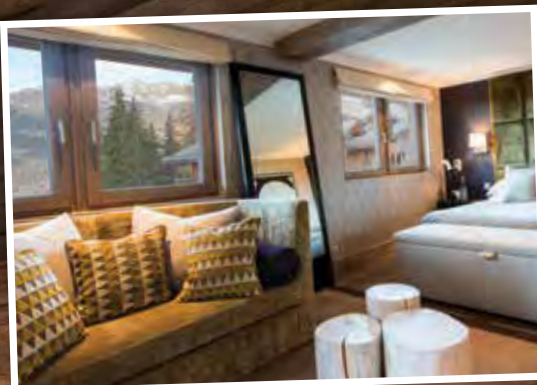

After exchanging vows in Martigny...

30 minutes' drive away from The Lodge, just sit back and relax while we whisk you back up the mountain and host a reception to remember! There is a fantastic open-plan lounge and party area and in the summer months a garden and terrace perfect for celebratory cocktails and canapés.

The food served at The Lodge is one of the highlights of your stay, and we serve a mix of Swiss and international cuisine. This very special first meal as a married couple can be as formal or informal as you wish. Weather permitting you may like to enjoy dining al fresco whilst enjoying the fresh mountain air on the terrace. All menus can be tailor-made; we can inspire you, or you us. In addition, we stock a great range of international wines, top quality spirits, international beers and excellent house champagne.

WHAT ELSE IS THERE TO DO?

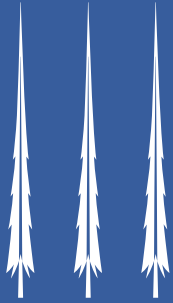

When the weather is glorious..

..it's more than likely you'll be spending plenty of time on the mountain, but when you get back to The Lodge there's still plenty to do.

Relax in the lounge with a cool drink curled up on a comfy sofa. Or if your muscles ache, take a dip in the indoor heated pool, or warm yourself up in the indoor or outdoor hot tubs. The Lodge also has a gym and a steam room. You can watch our chefs at work and pick up some tips while you try a few glasses of red or white from our wine cellar.

In the party area, you can shoot some pool or dance the night away all underneath a twinkling disco ball. If you want to take it easy we can pop on a film for you and your friends or family on the large plasma screen while you enjoy a few drinks from the bar.
